To use this font on additional computers please purchase a new licence on our web site — www.mostardesign.com — . If you are interested in purchasing multiple licenses please contact us at studio@mostardesign.com . You will not distribute this font to people outside of your organisation or company and you may not sell or give away modified versions of this font.

Created in 2010 by Olivier Gourvat, MOZZIANO is an elegant cross between geometric and round shapes. Its post-retro style opposes also fine and thick lines. This font can be used for very short texts however it is particularly effective for headlines in larger point sizes so that its details are emphasized. MOZZIANO best used in experimental designs.

MOZZIANO contain an extensive character set that includes support for Central and Eastern European languages. MOZZIANO can be viewed and purchased directly from www.myfonts.com or www.fonts.com

Opentype fonts of Mozziano contain all of the characters below.
